

There was a time I hated Nixon.  
Richard Milhouse Nixon,  
Tricky Dick,  
The lying-est scumbag I had ever seen in public life.  
And when he fell,  
From grace,  
From his perch atop the "greatest" country in the world,  
I was elated.

But that has proven to be nothing.  
A petty crook.  
A sleazy, lying, scumbag wholly devoid of integrity,  
Nixon was all of that and more.  
But he doesn't hold a candle to the  
The festering sore who now occupies the White House.

Donald J. Trump.  
A traitor.  
A thief.  
A cheat.  
A man who spent his entire life doing wrong to everyone who crossed his path.
