

AFTER THE PARTY

After the party, this beautiful young woman and I went back to my place.

She was so voluptuous.

I don't even know what that word means,

but I know it applied to her.

We went back to my place.

And before long, she was doing this dance,

A striptease, unrequested but certainly not unwanted.

God, did she know how to move her body.

Nothing – and no one – is perfect.

But she knew how to move in such a way ...

God ... god ... oh, my, god.
